## **DETAILED ACTION**

### ***Claim Objections***

1. Claim 13 is objected to because of the following informalities: claim 13 is not in a single sentence. The period (.) on line 9 after “means” should be deleted. Appropriate correction is required.

### ***Oath/Declaration***

2. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.

3. Errors must express what is wrong with the patent, and be written in terms of specific language of the patent. The applicant should identify the claim and describe the error associated with that claim.

4. Claims 1-18 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.
